 - 1/4" + 30%
 - 3/8" + 40%
 - Thicker materials; call for price

- **Material type upgrades**
 - Stainless steel + 30%
 - Aluminum + 40%
 - All other materials; call for price

- **Common floor register upgrades**
 - Extra strapping + \$25, any size
 - Concealment Louver to fit with extra strapping + \$25, any size
 - Tighten the pattern + 20% for 20% tighter pattern
 - Beveled edge; see the Accessories Pricing Chart

- **Design Fees**
 - CAD design time = \$100/hr (non-refundable)
 - 1hr minimum
 - CAD fee must be paid before work is performed
 - If CAD time is less than the estimate then the customer will be refunded the difference or it can be applied to a purchase.
 - Clean up of customers CAD = \$100/hr
 - 1/2hr minimum

- **Custom Baseboard Registers** (any custom height or depth)
 - 2x cost of a standard baseboard of the same length

- **End Cap Registers** (a standard register or grille with flanges bent at 90deg from 3 or more sides)
 - Gold series pricing + \$50

*If part requires multiple upgrades please use this example; Gold Series price = \$100, upgrade 1 = 20%(\$100x20%= \$20), upgrade 2 = 30%(\$100x30%=\$30), upgrade 3 = \$25 (**\$100+\$20+\$30+\$25=\$175**)
